

TOWN OF HOPKINTON, NEW HAMPSHIRE

BUILDING PERMIT REQUIRED

POLICY NO. 28

It is the policy of the Board of Selectmen that a building permit shall be required for all construction undertaken by any department, non profit, tax exempt or non-taxable entity, which seeks to construct a building, accessory building, dwelling or any other structure, which may, or may not, be donated to the Town of Hopkinton by gift.

The purpose in filing a building permit shall be to ensure that required life safety, electrical and plumbing codes are adhered to.

The Board may waive any permit fee at its discretion.
